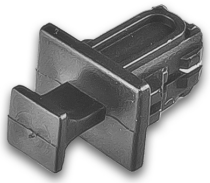
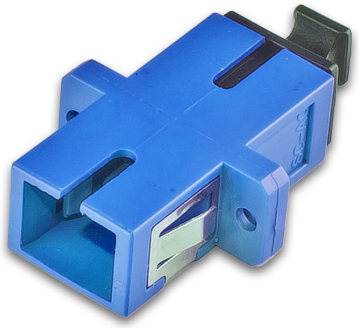
LKUP SC-SC SM

High Quality Fiber Adapter, SC, simplex, Singlemode

Features

- Singlemode OS2
- Footprint: SC
- Material: Plastic
- Color: Blue
- One-piece housing
- Fastening with clips and screws
- Lightwin® Lifetime Warranty





Application

These couplers are suitable for all fiberoptic applications in a wide range of telecommunications applications.
Typical application areas are patches in data centers, server or network cabinets, as well as FTTH (Fiber to the Home).

Description

All LIGHTWIN® fiberoptic patchcable couplers are processed to a high-quality product with certain processing methods.
The use of special guide sleeves for the LIGHTWIN® multimode patchcable couplers and specially selected guide sleeves with the lowest tolerances for the LIGHTWIN® singlemode patchcable couplers achieves damping values that go far beyond the required standards according to ISO / IEC.

Other advantages of the LIGHTWIN® fiberoptic patchcable:

- LIGHTWIN® Lifetime Warranty
- 100% tested
- Use of special guide sleeves with minimum tolerances
- All plug combinations on request at short notice

General information about fiberoptic patchcable couplers:
It provides a detachable connection between two fiberoptic patchcables.
Fiber optic products operate with light, so they do not (or cause) susceptibility to electromagnetic interference, such as comparatively copper wires.
Because of the low attenuation of the optical cables, it is also possible to bridge distances of more than 100 km without optical amplification.

LKUP SC-SC SM

High Quality Fiber Adapter, SC, simplex, Singlemode

Product Features	
Model	Simplex
Mounting	Clips / Screws
Color	Blue
Fiber Category	Singlemode OS2
Material	Plastic
Connector Type 1	SC

Product Number	EAN Code
LKUP SC-SC SM	9120042366108

Alle hier genannten Namen und Symbole sind Eigentum der jeweiligen Hersteller.
