PKW-PIMF-KAT6A ORANGE

CAT6A HQ Patch Cable, S/FTP, LSOH, Lifetime Warranty, orange

Features

- Category 6A patch cable
- Shielding: S/FTP shielded
- 4 twisted pairs
- Cable gauge: AWG26, 100% copper
- Jacket: LSOH
- 12 different lengths, 9 different colors
- With innovative slim boot

Description

Wirewin® Category 6A patch cables comply with the values specified in ISO/IEC 11801 Ed.2. This enables data transmission at 10 Gbit/s. Category 6A is specified up to 500 MHz. The cable used for these patch cables is double-shielded. Each pair has its own foil shield, with an additional braided shield around all pairs. This construction is often referred to as PIMF (Pairs in Metal Foil) or S/FTP. The cable jacket is made of halogen-free material and is therefore flame-retardant. Yellow Category 6A RJ45 connectors with gold-plated contacts are surrounded by a special Wirewin® strain-relief boot to protect the latch while still allowing it to be pressed easily. The cable length is printed on the underside of the boot. All Wirewin® CAT6A patch cables are supplied with a lifetime warranty!
